Coronavirus has meant there's been lots of big changes in our lives over the last few months. To stay safe we've all been spending much more time at home, often not being able to go to school, see our family and friends or visit our favourite places.

Everyone's experience of lockdown will be different and we want to hear all about how you've been spending your time! You may want to write, type or dictate a story; make a PowerPoint presentation; take photos and use captions; draw a picture or make a video. It's your story, you decide!

Use our rainbow ideas on the reverse of the flyer to help you get started!

3 x £100 prizes
to be won!!!

Story

WHAT SHOULD MY ENTRY INCLUDE?

It's your Lockdown story, so that's up to you! But here's some ideas to help get you started...

Red is for 'Resilience' - what have you been doing differently during lockdown? How have you adapted to the different ways of doing things? Is there anything you have found challenging?

Orange is for 'Optimism' - what positive things have happened during lockdown? Tell us about a fun time or a happy memory.

Yellow is for 'Your Lockdown Journey' - tell us about how you've spent your time during the lockdown period. What have you been up to? If you haven't been going to school, how have you found learning at home?

Blue is for 'Bravery' - what haven't you enjoyed about lockdown? What have you been missing most?

Green is for 'Generosity' - Have you done anything kind or helpful for someone else? What have other people done to make you smile?

Indigo is for 'Independence' - Have you learnt any new skills or found new ways to do things during lockdown? Is there any technology or equipment that has helped you?

Violet is for 'Vision for the future' - What are you most looking forward to doing once lockdown is over? Is there anything that you'll miss about lockdown?
